

November Newsletter 2008

I hope to see all of my students at the Gathering of Warriors III, this Saturday at New Haven Middle School, in Ft. Wayne, Indiana! It should be a wonderful day of fun and Seminars that will keep you talking for weeks. You can bring your own lunch, or eat-in and purchase a lunch at Registration, from Mancino's; it will include a sandwich (grinder), chips, and drink for \$6.00.

Even though most of you don't know who he is, you should get your picture taken with Mr. Keeney at the end of the day. After you learn some things, you'll be glad you did...and the picture should be up on your wall!

It was fun to have Mr. Walliser over this past month, and I am looking forward to having him again this month on Tuesday evening November 18th! Plan on being here that night for a good time.

This past year 2008, I had 10 students become AMTA Members...☺. Hopefully in 2009, those 10 students will renew their memberships, and I can have 100 % participation from all of my other students. Cost for each student is a \$20 yearly fee that goes directly to the AMTA. This money goes to fund our Seminars and family outings. Dues are paid annually in January of each year. AMTA Patches are separate (cost: \$10) and are worn over your heart on your uniform.

Thursday Evening Beginner Class

-Parents...

-As January '09 approaches, your students will continue their Tae Kwon Do journey into their new belt rank of Yellow, or 8th Gup. As January arrives, I will transition your students into the Monday evening class with students that have been studying with me one or two years longer than your students, and you will no longer be in this Beginning class with your same classmates. You will all be in a larger class with new TKD friends.

As January '09 approaches, I will again be coaching middle school wrestling and we will begin our schedule of matches against other schools. **The schedule of classes will change...due to my wrestling schedule! Look closely at the Calendar before you come to class!!!**
